

## Student COVID-19 Campus Entry Guide

Each day, currently enrolled students must check in using the Beaumont Symptom Screener Tool prior to entry on campus.

- Students scheduled for morning training sessions must complete the symptom screening by **7:30 AM. Entry will not be granted if screening is not completed.**
- Students scheduled for afternoon training sessions must complete the symptom screening by **11:00 AM. Entry will not be granted if screening is not completed.**
- Students scheduled for brush-up training must complete the symptom screening prior to their scheduled appointment. Confirmation of negative screening must be displayed to reception. **Entry will not be granted if screening is not completed.**
- Students scheduled for evaluations must complete the symptom screening prior to their scheduled appointment. Confirmation of negative screening must be displayed to reception. **Entry will not be granted if screening is not completed.**
- Students scheduled for a state exam must complete the symptom screening prior to their scheduled test. **Entry will not be granted if screening is not completed.**

**Step 1** - Click on the Beaumont Symptom Screener link: <https://beaumontcovidscreener.com/Home/Index>  
Alternatively, scan the QR code:

**Step 2** - Complete the Symptom Screener Form. To do so, please:

- Provide your first and last name.
- Select U.S. Truck Driver Training School from the drop down menu. **Do not manually type the name of the institution in the organization box.**
- Enter your email address.
- List any symptoms you may have. If you have no symptoms, select the “I have no symptoms” box.
- **Click SUBMIT.**

**Step 3** - Receive confirmation page and email. “John Smith has screened NEGATIVE on 11/17/2020 at 7:25 AM. You may safely proceed.”

**Step 4** - Meet Instructor, Academic Advisor, or Examiner at the main entrance and display confirmation email. Students testing at our Detroit location must show their negative confirmation to their examiner.

**Step 5** - Thermal temperature scan and safe-check bracelet issuance.

**DISCLAIMER:** If your symptom screening reads **POSITIVE**, proceed to the prompts provided by Beaumont to seek care immediately. A negative COVID-19 test is required for entry.
