

Visitor COVID-19 Campus Entry Guide

All visitors to USTDTS must use the Beaumont Symptom Screener Tool prior to entry on campus. A QR code is located on the front entrance door and in this document for visitor convenience. Visitors include carrier partners, community outreach partners, delivery services, and prospective students.

Step 1 - Click on the Beaumont Symptom Screener link: <https://beaumontcovidscreener.com/Home/Index>
Alternatively, scan the QR code:

Step 2 - Complete the Symptom Screener Form. To do so, please:

- Provide your first and last name.
- Select U.S. Truck Driver Training School from the drop down menu. **Do not manually type the name of the institution in the organization box.**
- Enter your email address.
- List any symptoms you may have. If you have no symptoms, select the “I have no symptoms” box.
- **Click SUBMIT.**

Step 3 - Receive confirmation page and email. “John Smith has screened NEGATIVE on 11/17/2020 at 7:25 AM. You may safely proceed.”

Step 4 - Use the thermal temperature scan by placing your wrist over the temperature reader and proceed to check in on the contactless check-in device “The Receptionist”.

Step 5 - Once checked in, proceed to the reception desk for safe-check bracelet issuance.

DISCLAIMER: If your symptom screening reads **POSITIVE**, proceed to the prompts provided by Beaumont to seek care immediately. A negative COVID-19 test is required for entry.
