VETERANS' BENEFITS

U.S. Truck Driver Training School, Inc. (USTDTS) is proud work to with Veterans. We thank you for your service!

This section of the Student Handbook describes policies and procedures specific to Veterans. Some repetition of information occurs as some policies and procedures are the same for veteran and non- veteran students. Veterans should review all parts of the Student Catalog, not just this section, to fully understand USTDTS policies and procedures.

Programs at specific USTDTS may be approved for veterans to receive VA education benefits. Please contact USTDTS to verify that your program is approved.

Veterans are required to acknowledge specific policies by signing a document presented during the enrollment process.

Veterans' Benefits are available to eligible students upon acceptance to U.S Truck Driver Training School through the GI Bill®. Such students must complete the necessary paperwork in the Military Education Group. Prospective students should contact the Military Education Office as soon as possible. The Military Education Group will help students initiate and process the benefit paperwork. USTDTS is approved to train eligible veterans and their dependents under Chapters 33 and other types of veterans' benefits. If you are a veteran or dependent and would like more information regarding VA benefits, go to www.gibill.va.gov. GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at www.gibill.va.gov

The U.S. Department of Veterans Affairs can pay benefits directly to the students or to USTDTS. The chapter of benefits for which the student qualifies determines the payment method. The student is responsible for any balances owed to USTDTS from such payments.

Veterans and their dependents may also apply for other financial aid by completing the Free Application for Federal Student Aid (FAFSA). To complete a financial aid application, go to fafsa.ed.gov.

Students receiving veterans' benefits must continuously be in good academic standing. (See the Academic Standing section in this Handbook.) Students failing to remain in good academic standing will be placed on academic probation. Student veterans who are not removed from probationary status will not be recertified for VA educational benefits until they are removed from academic

probation. The U.S. Department of Veterans Affairs will be notified if a student fails to be removed from probation at the end of probation period.

The Veterans Benefit Administration determines enrollment status according to the dates of the classes and USTDTs is required to notify the U.S. Department of Veterans Affairs when a student ceases to enroll at USTDTs.

Starting August 1st, 2019, students enrolling under GI Bill® and VR&E beneficiaries (Chapter 33 and Chapter 31 beneficiaries) can attend training for up to 90 days from the date the student provides a certificate of eligibility, or valid VAF 28-1905. This policy allows a student to attend training until VA provides payment to the institution. The Institution will not impose a penalty, or require students under VA benefits to borrow additional funds to cover tuition and fees due to late payments from VA.

VETERANS BENEFITS

USTDTs will not impose any penalty, including the assessment of late fees, the denial of access to classes, media center, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement of a payment to be provided by the Secretary under chapter 31 or 33 of United State Code 38, Veteran's Benefits.

GRANTS

Grants are available to veterans and spouses. Please refer to the Financial Assistance section in the Student Handbook.

ACADEMIC PROGRESS AND ATTENDANCE

All students must maintain Satisfactory Academic Progress (SAP) regardless of whether they receive Federal financial aid. To maintain Satisfactory Academic Progress, a student must meet minimum standards of cumulative grade point average (qualitative measurement) and cumulative rate of completion (quantitative measurement). Cumulative Rate of Completion is defined as clock hours earned versus clock hours attempted. To graduate, a student must successfully complete all the required clock hours in the program with a cumulative grade of 80% or higher.

Below are the policies for veteran students regarding academic progress and attendance.

Academic Progress Policy: The academic progress of students receiving VA education benefits is evaluated monthly at the end of the month. VA students must maintain an 80% or greater cumulative grade point average on tests, written and practical exams, and satisfactory and timely completion of all assignments.

GI BILL PAYMENTS

If the student will be using veteran assistance (VA) benefits through the GI Bill to pay for tuition, payment is due by the end of program. If the student has not received his or her VA payment by that date, the student is still responsible for paying this balance. A late fee may be applied after this date.

If the student believes he or she may have problems paying the balance if a VA payment is delayed, the student should contact the Office of Financial Aid. The student may be eligible to apply for financial aid.

Questions regarding VA certifications should be directed to the VA Point of Contact in the Office of Financial Aid.

Title 38 United States Code Section 3679(e) School Compliance

All covered individuals are permitted to attend and participate in course of education during the period that the individual provides their Certificate of Eligibility for entitlement to education assistance under chapter 31 or 33 (a "certificate of eligibility" can also include a "statement of benefits" obtained from the Department of Veterans Affairs (VA) website – eBenefits, or a VAF 28-1905 form for chapter 31 authorization purposes) and ending on the earlier of the following dates:

1. The date on which payment from VA is made to the institution.
2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

Any covered individual who is entitled to educational assistance under chapter 31, Vocational Rehabilitation and Employment, or chapter 33, Post-9/11 GI Bill benefits will not be imposed any penalty, including the assessment of late fees, the denial of access to classes, libraries (media center), or other institutional facilities, or the that the covered individual be required to borrow additional funds, because of the covered individuals inability to meet his or her financial obligations to the institution due to the delayed disbursement of funding from the VA under chapter 31 or 33.

Admission Policy for Applicants with Felony Convictions

Each student that applies for any of the programs at USTDTS, the applicant must declare whether he/she has been charged with or convicted of a felony or felonies. Failure to provide such information will automatically disqualify a person from admittance or cause that person to be expelled immediately when the institution discovers the student's failure to disclose felony charges or convictions.

After reviewing the student's application, the institution will then determine whether to admit the applicants as students. The following include, but are not limited to, considerations made when reviewing any applicant's felony conviction(s) and related circumstances, especially connected to students' and employees' potential safety.

1. USTDTS considers all circumstances applicable to potential students, including any felony convictions.
2. USTDTS considers specific program requirements, accrediting body requirements, and licensing requirements when considering applications with felony convictions.
3. If a potential student has been convicted of a felony, USTDTS considers the specifics of the conviction. The specifics include the following:
 - The number of offenses/convictions,
 - The type of the original charge(s),
 - The crime(s) for which the potential student was convicted,
 - The length of time since the date(s) of conviction(s),
 - The length of time served,
 - If the potential student was incarcerated, the length of time from the release date, and
 - Any other relevant information requested by the institution.
4. If the applicant is on parole, he/she may be asked to provide the name and contact information of his/her parole officer. The institution may obtain the conditions of parole and determine whether admittance is possible within the conditions of parole.
5. If necessary and/or requested by the institution, the applicant will provide any releases or waivers necessary to obtain information that the institution deems relevant.

Applicants with any of the incidents listed who do not obtain a letter of pre-employment prior to enrollment must meet with the school's Director of Admissions and sign an employment advisement letter.

- DWI or DUI within the past 5 years
- Felony within the past 7 years
- Careless or wreck less driving within the past 3 years
- At fault accident in the past 1 year

ORIENTATION

An orientation is conducted for all new students in the first week of class. The program is designed to briefly explain institution policies and procedures, to provide an opportunity for students to ask questions, and to allow the students to become familiar with campus facilities and resources. During orientation students will become familiar with the institution, academic requirements, student expectations, learning environments, and the many services and resources available to them. It is also an important time for forming relationships and connections with fellow students, program advisors, and other members of the USTDTS community.

ADMINISTRATIVE/ FACULTY INFORMATION:

Students have access to the institution's website with an updated listing of all USTDTS faculty and staff (<https://ustdts.edu/staff/>).

Hours: The Admissions and corporate offices are open from 8:00 A.M. – 5:00 P.M. Monday – Friday. *The Office of Admissions* is also open between 8:00 A.M. – 12:00 P.M. on Saturdays by appointment only.

NEW AND CURRENT STUDENTS

FINANCIAL SERVICES

Financial Services staff are available to advise and assist students with obtaining funds to attend USTDTs. All students attending the 602 Clock Hour Program are advised to apply for financial aid. Advisors are available for individual assistance in areas such as grants, loans, employer reimbursement, veterans' benefits, and more. Students who believe their resources are inadequate to meet their expenses at USTDTs should contact the Financial Aid Office.

HOW TO APPLY FOR FINANCIAL AID

All students who wish to apply for financial aid (grants and loans) should complete the Free Application for Federal Student Aid (FAFSA). Students can apply online at <https://studentaid.gov/>. Students may contact the Office of Financial Aid for assistance with this application process.

Once received by USTDTs, the FAFSA results will be reviewed. Some students' applications will be selected for verification; these students will be requested to submit additional documentation before their financial aid process can be completed. Once all necessary documentation is received, the student will be sent a financial aid award package. If the award package includes a loan(s), the student will need to take action via paper award letter to accept, reject, or reduce the loan amount.

Financial aid funds (including student loans) will not be requested or applied to the student's account until after the student starts class. All new students who are first-time borrowers must attend classes at a minimum of half-time status for 30 days before receiving any loan proceeds. Students will be notified when their financial aid funds (including loans) are disbursed and (if applicable) when a refund of excess financial aid is available.

EXPECTED FAMILY CONTRIBUTION

Expected family contribution is determined from the income, assets, and other information the student and his/her family report on the FAFSA. The federal methodology formula is used to determine the amount the student and his/her family will be expected to pay.

FINANCIAL AID ELIGIBILITY

Eligibility for need-based financial aid programs is determined by the following:

COST OF ATTENDANCE – EXPECTED FAMILY CONTRIBUTION = FINANCIAL AID ELIGIBILITY

This represents the maximum amount of financial aid the student is eligible to receive from federal, state, and institution programs.

TYPES OF FINANCIAL AID

Once eligibility for financial assistance has been determined, students may be offered one or more types of aid in what is called a financial aid award package. The financial aid award package may include the following:

GRANTS

Grants may be awarded from the federal government, the state government, and/or private organizations. Grant awards are typically based on financial need. Grants do not need to be repaid.

LOANS

Loans are offered at low interest rates, which must be repaid after the student leaves the institution or drops below half-time enrollment.

FEDERAL PELL GRANT UNDERGRADUATE

Pell Grant funds are available to undergraduate students who have not received their first bachelor's degree. The amount depends on the student's financial need, costs to attend school, status as a full-time or part-time student, and plans to attend school for a full academic year or less.

The maximum Federal Pell Grant for the 2023-2024 (July 1, 2023, through June 30, 2024) is \$7,395.00.

Due to the length of our 602-clock hour program, USTDTS students do not qualify for full Pell Grant, even if their EFC is 0. Pell grant will be prorated using the following formula:

$$7395/900 \times 602 = 4,946$$

The maximum Pell Grant for the 2023-2024 award years is \$4946.

STATE GRANT

LOANS

Federal direct loans are available to all students, regardless of financial need. Students must attend college at least half time to be eligible for any type of loan. Remember, these loans must be repaid. There are two types of federal direct loans available: Federal Direct Stafford Loans and Federal Direct PLUS Loans. Additional information about federal loan programs is available at studentaid.gov.

Students are required to complete entrance loan counseling and a Master Promissory Note before the release of their first student loan. In addition, student loan borrowers are also required to complete exit loan counseling when they withdraw, drop below half-time enrollment status, or graduate. Loan counseling is designed to provide information about student loans (i.e., repayment, deferment, forbearance, disbursement, and debt management strategies). This counseling can be completed online at studentloans.gov.

Regulations require schools to establish a Student Loan Code of Conduct Policy.

USTDTS Student Loan Code of Conduct Policy is as follows:

USTDTS employees should receive no personal benefit. No employee of the institution shall accept anything of more than nominal value on his or her behalf or on behalf of another person or entity from any lending institution in exchange for being included on a lender list or in exchange for any special treatment. USTDTS employees should not serve on lender advisory boards for remuneration. No employee of the institution who makes financial aid decisions for the Institution, who is employed in, who supervises, or otherwise has responsibility or authority over the institution's Financial Aid Office shall receive any remuneration for serving as a member or participant on a student loan advisory board of a lending institution or any reimbursement of expenses for such service. The Institution should not provide any advantage to a lending institution. The Institution shall not accept anything of value from any lending institution in exchange for any advantage or consideration provided to the lending institution related to its student loan activities. The Institution should make appropriate use of any Preferred Lender List. If the Institution decides to promulgate a list or lists of preferred or recommended lenders for student loans, the selection of lending institutions for inclusion on the preferred lender list shall be based on the best interests of the Institution's students and their parents without regard to the financial interests of the Institution. Students and parents have the right to select any lender. If the institution suggests any lenders, it will be based solely on borrower incentives for on-time repayment, an established track record of efficient loan processing, timely delivery of funds, excellent customer service and who will remain in this program long term. Should the students and/or parents select a lender that does not have an electronic process, the institution will certify and process for a timely disbursement. Note: As of July 1, 2010, for the Federal Stafford Loan Program is the only lender available for all institutions and universities. However, for private

student loans, there are many available lenders, and it is your choice which lender you select as long as they participate in certificate programs and or work with schools that only offer certificate programs.

Federal Direct Stafford Loans Federal Direct Stafford Loans are available to student borrowers at low, fixed interest rates. There are two types of Federal Direct Stafford Loans:

SUBSIDIZED STAFFORD LOAN

Subsidized Stafford Loan eligibility is based on financial need. Subsidized loans are available only to undergraduate students. Under this loan program, the student is not required to make payments while he/she is in college at least half time, and no interest will accumulate during this time. Direct Subsidized Loans are limited to a period not to exceed 150 percent of the length of the borrower's educational program.

UNSUBSIDIZED STAFFORD LOAN

Unsubsidized Stafford Loan eligibility is not based on financial need and is available to both undergraduate and graduate students. Under this loan program, the student is not required to make payments while he/she is in college; however, interest will accumulate if not paid by the borrower.

Students cannot receive federal direct loans that exceed the cost of education unless financial aid is received. Listed below are the maximum federal direct loan amounts students may borrow annually, based on grade level:

| Grade Level | Dependent Annual Loan Limit | Independent (and dependent with PLUS denial) Annual Loan Limit |
|--------------------|------------------------------------|---|
| Grade Level 1 | \$5,500 | \$9,500 |

Due to the length of our 602-clock hour program USTDTS students do not qualify for full loan amounts. Below is the breakdown of what students could qualify for:

| Dependent Subsidized Loan Limit | Dependent Unsubsidized Loan Limit | Independent (and dependent with PLUS denial) Subsidized Loan Limit | Independent (and dependent with PLUS denial) Unsubsidized Loan Limit |
|--|--|---|---|
| \$2,341.00 | \$1,338.00 | \$2,341.00 | 4,013.00 |

Formula used to calculate Subsidized and Unsubsidized Loan Limits:

Subsidized: $\$3500/900 \times 602 = \2341.00

Unsubsidized Dependent: $\$2000/900 \times 602 = \1338.00

Unsubsidized Independent and dependent with PLUS denial: $\$6000/900 \times 602 = \4013.00

FEDERAL DIRECT PLUS LOANS

Federal Direct PLUS Loans are available for parents of eligible dependent undergraduate students and for eligible graduate students at fixed interest rates. Under the federal Direct PLUS Loan program, applicants are eligible to borrow up to the total cost of attendance minus any financial aid they will receive. Parents or graduate students may apply for the Federal Direct PLUS Loans at studentloans.gov.

FINANCIAL AID DISBURSMENT INFORMATION:

Financial Aid is disbursed in two payment periods.

Payment Period 1: Disbursed from 1 hour to 301 hours.

Payment Period 2: Disbursed from 302 to 602 hours.

Note: The institution does not use 10% excused absence when disbursing aid. Students must complete 302 hours for Payment Period 2 funds to be disbursed.

DISBURSMENT NOTIFICATION

All Parent Direct PLUS borrowers and all students receiving FSA funds will receive a general notification of the amount of expected funds from each FSA program and how and when those funds will be disbursed.

The institution will also notify students when FSA loan funds are credited to a student's account before the disbursements are made.

If the funds include a Direct Loan, the notice will indicate which funds are from subsidized loans and which are from unsubsidized loans.

The institution will provide the best information that it has regarding the amount of FSA program funds a student can expect to receive. Because the actual loan disbursements received by a student may differ slightly from the amount expected by the school (due to loan fees and rounding differences) the institution will include the gross amount of the loan disbursement.

In the case of loan funds made as part of a post-withdrawal disbursement, when Direct Loan funds are being credited to a student's ledger account (with student's permission); the school will also notify the borrower in writing by paper of the

- actual date and amount of the disbursement.
- student's or parent's right to cancel all or a portion of a loan or loan disbursement,
- and have the loan proceeds returned to the Department; and
- procedures and deadlines by which the student or parent must notify the school that he or she wishes to cancel the loan or loan disbursement.

FINANCIAL RIGHTS AND RESPONSIBILITIES

Students have the right to accept or refuse any part of their financial aid packages. If the student rejects any part of his/her financial aid package, it may affect other aid offered. Students may not receive financial aid from more than one college while enrolled at two or more colleges at the same time. Classes taken outside of a student's declared program do not qualify for most forms of financial aid.

Students must attend the 602-hour program full time to be considered for most financial aid.

Withdrawal from the program or failure to attend may result in a loss or reduction of financial aid and a balance due to the Institution.

It is the student's responsibility to inform Financial Aid of any changes to the information provided on the financial aid application. Students should contact the Office of Financial Aid to report these changes.

Financial aid offered to the student is dependent upon the availability of funds. Any change in the availability of funds or a student's academic performance may change the award package.

If a student's financial aid application is estimated or incomplete, the student will be responsible for any charges that may occur if the estimated financial aid indicated is incorrect or the application remains incomplete. Information regarding a student and/or parent Title IV -HEA loan will be submitted to the National Student Loan Data System (NSLDS) and accessible by authorized agencies, lenders, and institutions.

AWARDING AND DISBURSING POLICIES

Financial aid

Aid is applied to your student account the day it is received from the Department of Education. Aid can only be applied after you have accepted your awards and completed all requirements.

Financial aid for the academic year is applied in two payments — half in the first payment period and half in the second payment period.

Financial aid will not be disbursed until your class participation is confirmed by your instructor. If your participation is not confirmed your aid may be reduced or cancelled.

How funds are received

All financial aid offered through the Financial Aid Office is credited to your student tuition account to pay for tuition and fees.

What happens to excess aid?

Financial aid is meant to assist with your costs. After tuition and fee charges are paid, any remaining aid will be refunded to you for other educational expenses. You may use these funds to assist with your living expenses while you are in school.

Outstanding balances

Do not ignore your balance. If you owe money, be proactive.

- If your aid has not been applied to your student account, check with the Financial Aid Office to see if you have any outstanding requirements.
- You must accept loans if you want them and complete entrance loan counselling and promissory note requirements.
- If you need to set up a payment plan, contact the Business Office Administrator at 586-838-1268 or via email businessoffice@ustdts.edu

Please Note: Refund checks are available for pickup. See Business Office Administrator for details.

POLICIES & PROCEDURES FOR VERIFICATION

U.S. Truck Driver Training School, Inc. has developed the following policies and procedures for the verification of information provided by applicants for Federal Title IV student financial aid.

1. Only those students selected for verification by the U.S. Department of Education (ED) or those with conflicting information in their records will be required to submit supporting documentation. In most cases, the required documentation consists of a completed Verification Worksheet and if the IRS DRT is not used then a Federal Tax Return Transcript (and an IRS Form 1040X if an amended tax return was filed) from the prior, prior year (e.g., 2021 calendar year for the 2023-2024 processing year, etc.). Any conflicting information in the student's file must be resolved before any financial aid may be disbursed, regardless of the student's verification status.
2. No Federal Pell Grant, Campus-Based aid, or Subsidized Direct Loan funds will be disbursed prior to the completion of verification.

3. A Direct Stafford Loan will not be originated until all verification has been completed.
4. Students eligible to receive a Pell Grant, Campus-Based aid or a Subsidized Direct Loan will have until 120 days after their last day of attendance or by the deadline published in the Federal Register each year (deadline is usually around the end of September) whichever is earlier, to complete verification. However, in the interim, the student must have made arrangements with the school or payment of all tuition and fees due, or risk termination from the school. After the period, all financial aid that might have been due is forfeited.
5. All students will be notified on a timely basis if they were selected for verification and what supporting documentation is required. At that time, the student will be informed of the time parameters and the consequences of not completing the verification process. The institution will notify the student of the results of the verification process and any other documentation needed. The institution will assist the student in correcting any information that is inaccurate and will notify the student via the award letter if an award changes. The institution will use as its reference the most recent Verification Guide supplied by ED.
6. If the student receives an overpayment based on inaccurate or conflicting information on any application and refuses to correct the information or repay the Federal funds after being counseled by the institution, the school will refer the case to ED for resolution. Unless required by ED, no further Federal financial aid will be disbursed to the student.
7. The financial aid file must be documented with the date that verification is completed.

2. Select "Get Transcript Online"

3. Follow the on-screen instructions to verify personal information, email, financial accounts/credit card number and mobile phone number.
4. Proceed to request "Tax Return Transcript" for proper tax year.
5. Download and save or print to fax/email to the Financial Aid Office

 2. You may need to abbreviate (Apt rather than Apartment or St rather than Street)
 3. For joint returns, use the primary tax filer's SSN, date of birth, address, and zip code.

PAYMENT OPTIONS

TUITION PAYMENTS

Tuition may be paid at registration, prior to the start of the scheduled class start, or through an approved payment plan. Absenteeism and withdrawals may not reduce a student's financial obligation. (See the Class Withdrawal and Refund Policies section in this Handbook.) Invoices will be generated throughout the program and mailed to the address on file.

Tuition payment can be made as follows:

- By cash
- By credit/debit card. No fee is associated with DEBIT card payments.
- By cashier's check or money order mailed to USTDTS or delivered to the Financial Aid Office and or Business Office.

EMPLOYER TUITION REIMBURSEMENT PROGRAM

The employer tuition reimbursement program is a tuition deferment program available to students whose employers pay tuition costs. Enrollment in this program allows students to defer payments until after the program ends.

To be eligible for the program, the student must complete the following:

- Sign an employer tuition reimbursement contract.

- Submit the reimbursement contract along with a letter on company letterhead, or a copy of the company policy stating the guidelines for tuition payments made by the employer.

Financial Services will hold the responsibility to submit the invoice and grades to the employer when necessary. Any portion of tuition not paid by the employer must be paid by the student by the deadline stated on the retail installment contract.

FAILURE TO PAY

If the student fails to communicate/stay current with the Business Office regarding their payment arrangement, they will be dropped/suspended from their program for non-payment.

EMPLOYER TUITION ASSISTANCE PROGRAM

Employers that provide tuition assistance issue a voucher, letter of credit, or tuition assistance form for tuition. The student must turn in this documentation to the Financial Aid Office upon receipt. Please verify that all information is correct, including start date and course name. The institution will invoice the student's employer using this document, and employers will send payment directly to the Institution. Any unpaid balance is the responsibility of the student. It is also the student's responsibility to obtain the voucher/form. The Institution will not invoice the student's employer unless he or she has turned in the voucher/form unless the employer contacts the Financial Aid Department directly to authorize attendance and tuition amount.

PAYMENT PLANS

USTDTS provides payment plan options for students who are unable to pay their full charges prior to the start of their class. A \$35 fee will be charged to enroll in the payment plan; however, enrollment in the payment plan will prevent students from being charged the \$50 late fee. A late fee will be assessed if the terms of the payment plan are not met. Students can see the Business Office to set up a payment plan.

PRIVATE FINANCING LOAN CANCELLATION

Students utilizing some forms of private financing who do not complete the course will still be obligated to fulfill their obligation to the pro-rated tuition balance. In some cases, the lender will cancel the loan due to non-completion of the course. In the event of a loan cancellation the student can make arrangements with the finance department to establish a reasonable payment plan.

PAYMENT POLICY

Students receiving financial assistance from any agency or funding source are advised that it is their responsibility to ensure that all proper paperwork is filed so the school receives tuition in a timely fashion. All tuition and fees are the responsibility of the student regardless of anticipated grants and/or student loans. All balances must be current to progress through the course, graduate, and/or receive a transcript or diploma.

**A \$15.00 late fee will be applied to student's account for late payments received 5 days past the scheduled due date.*

***A \$35.00 fee will be assessed for any returned check. **Checks are accepted from registered students only.*

PAST DUE BALANCES

Students with outstanding balances may not be allowed to re-enroll if previously dropped to receive official transcripts of credit, letters of recommendation, employment placement assistance, or a certificate of completion until their student account is settled.

NOTE: Federal regulations prohibit the use of Title IV funds toward a past due balance greater than \$200.

Unpaid balances will be sent to an outside collection agency and will be reported to the credit bureau(s). USTDTS reserves the right to charge students collection costs.

REFUNDS

All USTDTS refunds to students are processed via paper check. Students will be notified when checks are available for pick up by the Business Office. See Business Office for more information.

WITHDRAWALS

Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. Withdrawal is considered official when the student notifies the school of their desire to leave the program. This is typically done in writing by the student but is not a requirement of withdrawal. Unofficial withdrawal of a program happens when a stop attending school without prior notice. Students are unofficially withdrawn from their program of study when no contact is made for three consecutive days in 160 clock hour program and 14 days in 602 clock hour program. School Official will attempt contact. If no contact is made between the student and the school official, then the unofficial withdrawal will be initiated. The students' last day of known activity at school will be factored into tuition owed or refunded.

USTDTS does not offer withdrawal passing vs. withdrawal failing grades.

FAILURE TO ATTEND TRAINING / READMISSION AND RE--ENRTY

The procedure for switching and/or dismissal from USTDTS programs in relation to excessive absenteeism are as follows: On the third consecutive day that the student is has an unexcused absence the Director of Educational Services is notified, and a call is placed to the student. On the fourth consecutive day that the student has an unexcused absence the termination procedure will commence. A final phone call will be placed to the student and a drop slip will be inserted into the student's file. *Students wishing to return to USTDTS after excessive unexcused absenteeism of three or more days may be required to write a letter to the school stating the reasons why he or she was absent from the program and request for reinstatement.* Reinstatement is subject to availability.

CLASS WITHDRAWAL AND REFUND POLICIES

TUITION REFUNDS

The Class Withdrawal and Refund Policies are based on the official notice date and enrollment period. A refund is available after withdrawal from the program if the student is within the institution's guidelines.

VETERANS AND OTHER ELIGIBLE BENEFICIARIES REFUND POLICY

If a student eligible for veteran education and training benefits fails to enter a course, withdraws, or training is discontinued at any time prior to completion, the amount charged will be an approximate pro-rata portion of total charges for tuition, registration fees, and other charges collected by USTDS that the length of the completed portion of the course bears to its total length less \$10.00 for the registration fee.

RETURN OF TITLE IV FINANCIAL AID FUNDS (R2T4)

If a student withdraws or stops attending, federal financial aid regulations require that a calculation be done on financial aid funds received for that payment period. Since USTDS is required to take attendance, when a student drops officially or unofficially, the last day of attendance will be used as the withdrawal date when performing the R2T4 Calculation. Federal financial aid is not 100% earned until the attendance has exceeded 60% of the payment period. Because of the calculation, a student may be responsible for paying tuition charges that were originally covered by financial aid funds that the school was required to return. Students should contact the Financial Aid Office at the school for additional information about the R2T4 (Return to Title IV) calculation. $(\% \text{ of enrollment that is completed}) \times (\text{the total Title IV funds disbursed}) + \text{the Title IV funds that could have been disbursed by federal guidelines} = \text{the amount of Title IV aid earned}$.

- Official withdrawal from a program is communicated to the admissions and/or training department in writing or verbally.
- Unofficial withdrawal commences on the 14th consecutive day of absence with no prior communication with the institution. The institution will attempt to reach out to students when absent.

Any Title IV financial aid that is unearned must be returned. If the student does not receive the full Title IV that he/she earned, then a post withdrawal disbursement may be made.

The calculation steps are as follows:

1. DETERMINE THE WITHDRAWAL DATE

The withdrawal date, which is the last day of attendance for both official and unofficial withdrawals is used to calculate the amount of earned and unearned federal aid for the payment period.

2. CALCULATE THE PERCENTAGE OF ENROLLMENT PERIOD COMPLETED

Divide the number of scheduled hours until LDA by the number of scheduled hours in the payment period. If the percentage is greater than 60, the student has earned 100 percent of Title IV aid.

3. CALCULATE THE AMOUNT OF EARNED TITLE IV AID

Multiply the percentage of the earned hours (if less than 60%) by the total Title IV aid disbursed or that could have been disbursed according to late disbursement rules.

4. CALCULATE THE AMOUNT TO DISBURSE (PWD) OR TO RETURN

Returned = Title IV disbursed minus aid earned; PWD = Aid earned minus Title IV disbursed

For Post-Withdrawal Disbursements, (PWD), Grant funds must be disbursed within 45 days, Loan funds must be offered to the student within 30 days. The student must respond within 14 days to accept or decline the funds.

5. Calculate Amount of Unearned Title IV Aid

Determine which institution charges for the payment period. Institution is required to return the lesser of Title IV to be returned or amount of unearned charges.

6. RETURN OF TITLE IV FUNDS

a. These funds must be returned within 45 days of determination that the student has withdrawn (officially or unofficially for nonattendance).

b. If the R2T4 calculation results in a credit balance owed to the student, it must be disbursed to the student within 14 days.

c. The student may be responsible for any balance of unearned Title IV funds that were not required to be returned by the institution.

- If the student's portion of the aid to be returned is a loan, the student is not immediately required to repay the loan. The terms of the original loan repayment agreement will apply.

- If the student's portion of aid to be returned is an overpayment of a grant, the student is required to repay only the amount exceeding 50 percent of the total grant for original amounts over \$50. The institution will notify the student of the amount and the procedures for repayment, if this is required. If the student does not repay the funds, the student is not eligible for federal Title IV funds at any institution until the overpayment is paid. Institution can refer a student overpayment that is not paid by the student to the U. S. Department of Education.

Post Withdrawal Disbursement Statement

All TITLE IV funds earned by the student but have not been disbursed to the student will be disbursed as follows:

1. Grants will be disbursed within 45 days.

2. Loans will be offered to the student within 30 days where student will have 14 days to respond whether a student wants to accept or decline the funds.
3. IF a R2T4 calculation results in a credit balance, the credit balance will be disbursed within 14 days.

7. RETURN OF UNEARNED TITLE IV FUNDS

The institution allocates the return of Title IV funds, and any overpayment funds collected from the student, by reducing or eliminating outstanding balances on the funding source, received by the student for the enrollment period for which he/she was charged. The return of funds is processed within 45 days from the date of determination of withdrawal, in the following order:

- Unsubsidized federal Stafford loans
- Subsidized federal Stafford Loans
- Federal Parent PLUS Loans
- Federal Pell Grant

Post-withdrawal disbursements: If the calculation results in earned funds that have not been paid to the student account, a post-withdrawal disbursement may be calculated. If student loans are included in the aid that has not yet been paid, the student will have the option to decline the loan funds, so he/she does not incur additional debt. A post-withdrawal disbursement of loan funds is not an option for first-time/first-year borrowers who withdrew during the first 30 days of enrollment because loans cannot be disbursed. The institution may use all, or a portion of, grant funds eligible for a post-withdrawal disbursement toward tuition, fees without student permission. If the student has any other charges, the student must give permission to use the grant funds.

NOTE: The federal regulations governing Title IV aid refunds are separate from the institution's refund policy for tuition and charges. Withdrawing from classes may also impact satisfactory academic progress.

| Example of a Return of Title IV Financial Aid Funds Calculations: | |
|--|----------------------------|
| WITHDRAWAL OFFICIAL NOTICE | 200 ATTEMPTED HOURS |
| INSTITUTIONAL CHARGES | \$4207.50 |
| TITLE IV AID | |
| LOANS | \$3144 |
| PELL | \$1980 |
| TOTAL TITLE IV AID | \$5124 |
| REFUND TO STUDENT | \$916.50 |
| ACCOUNT BALANCE | \$0 |

| WITHDRAWAL CALCULATIONS | | |
|---|--------------|-------------------------|
| TUITION REFUND | | \$0 |
| ADJUSTMENT FOR TITLE IV | | \$0 |
| BALANCE STUDENT OWES | | = \$0 |
| STUDENT WITHDREW AFTER 200 SCHEDULED HOURS OF ATTENDANCE OUT OF 301 HOURS OF FIRST PAYMENT PERIOD | | |
| PERCENT EARNED | 200/301 | 66.4 |
| PERCENT UNEARNED | 100%- 66.4 | 33.6 |
| AMOUNT OF TITLE IV AID UNEARNED | 0 | |
| THE INSTITUTION MUST RETURN | | |
| TITLE IV: TOTAL \$0 | LOANS: \$0 | PELL: \$0 |
| THE STUDENT MUST RETURN | | |
| STUDENT'S AMOUNT \$0 | UNEARNED \$0 | INSTITUTION RETURN: \$0 |

*In this example the student does not have to return any funding because the percentage of earned aid was over 60%. The example does not reflect all the different combinations of refund situations that may exist. More information on Title IV return calculations can be found at the Financial Aid Office. The institution reserves the right to amend this procedure to comply with federal regulations.

COURSE REPETITION POLICY

Students wishing to repeat a course/segment of the program to earn a higher grade can do so. The higher grade of the two will replace the lower grade. However, repeating a course will affect the maximum allowable time frame for a program. For example, the Professional Tractor Trailer Training Program 602 program duration is 4 months multiply by 143% equals to 6 months to finish the repeated portion of the program.

Student's SAP requirements are updated once new grades are available. Both quantitative and qualitative requirements are followed.

Students that exceed the MTA and needing to repeat will not be eligible for financial aid and must pay for additional tuition expenses through private non-federal aid means.

For example, to repeat a portion of the first 301 hours of the Professional Tractor Trailer Training Program, the cost to repeat the portion of the course is calculated by dividing the total of the tuition and fees by total number of clock hours and multiplied by the clock hours in the Professional Tractor Trailer Training Program.

$$\frac{\$5247.50 \text{ (1st Payment Period 301 hours tuition and fees)}}{301 \text{ (1st Payment Period attempted hours)}} = \$17.43 \text{ (cost per attempted hour)}$$

$\$17.43 \text{ (cost per attempted hour)} \times (40 \text{ attempted clock hours of pre-trip}) = \$697.20 \text{ (Total student pays)}$

SATISFACTORY ACADEMIC PROGRESS POLICY:

The Satisfactory Academic Progress (SAP) Policy applies consistently to all students enrolled (full or part time) at the USTDTS, whether the student received Federal Title IV aid or not. It is printed in the student handbook/catalog to ensure that all students receive a copy prior to the first day of class. The USTDTS has established policies that comply with guidelines established by the Michigan Secretary of State, Council on Occupational Education (COE) and the federal regulations established by the United States Department of Education.

The first time you do not meet SAP standards, you will be placed on Financial Aid Suspension with a right to appeal. This means you are close to losing your financial aid eligibility. You will have 10 days from the financial aid suspension notification to appeal. Please allow 10 days for the appeal to be reviewed. If the school officials agreed with your appeal, you will be placed on Financial Aid Probation, receive aid for the second payment period, and have the opportunity to complete the program using your financial aid. If the appeal is denied by the school officials, you will remain on Financial Aid Suspension, lose your financial aid, and must pay cash if you desire to remain in the program.

Appeals

A student may appeal by submitting their explanation, in writing, to the Director of Financial Aid. Appeals should explain an unforeseeable cause or events that caused the student to not meet standards of academic progress as well as the measure the student has taken to re-establish satisfactory academic progress. Reasons for appeal include special circumstances such as the death of a student's family member, illness, or injury. Additional documentation may be requested confirming the appeal reasons provided in the student's appeal. The appeal will be reviewed by the Director of Financial Aid and the Director of Educational Services and/or Managing Program Director.

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows:

The Entry Level Tractor Trailer Training Program 160 is evaluated at the end of the first 40 hours of training.

The professional Tractor Trailer Training Program 602 is evaluated at the end of each payment period. An evaluation is issued during the course using the timetable below.

In addition to academic grades and attendance, satisfactory academic progress is also measured in a quantitative fashion.

ENTRY LEVEL TRACTOR TRAILER TRAINING PROGRAM 160

40 Hours (End of 1st Week)

PROFESSIONAL TRACTOR TRAILER TRAINING PROGRAM 602

End of Payment Period 1: 301 Hours (End of 9th Week)

End of Payment Period 2: 602 Hours (End of Program)

This evaluation will determine if the student has met the minimum requirements for Satisfactory Academic Progress. All records used in evaluating Satisfactory Academic Progress are maintained in the student files and are available to the students during the evaluation period.

Satisfactory Academic Progress consists of three main components:

- 1) Qualitative measurement – Grade Point Average (GPA);
- 2) Quantitative measurement – PACE- all students must maintain an attendance level which is a minimum percentage of an attempted program that must be completed; and
- 3) Quantitative measurement- Maximum Time Frame which is the percentage of time given to complete the published length of the program.

QUALITATIVE MEASUREMENT-GRADE POINT AVERAGE (GPA)

From a qualitative perspective, all student progress is monitored. Evaluations include grades from 1) classroom assignments, pre-trip inspections, basic yard maneuver assessments, and on-the-road driving performance rubrics; and 2) student cumulative attendance percentage based on a numerical 100% scale.

Students are given percentage-based grades; a student's grade is their percentage earned of total points possible. Students are required to maintain an overall grade of at least 70%. This grade is an average of the grades received the Classroom, Range, and Road courses. Skills are evaluated according to the procedures governed by the Michigan Department of Transportation and adopted by the school.

PACE ATTENDANCE AND ACADEMIC PROGRESS EVALUATIONS:

ENTRY LEVEL TRACTOR TRAILER TRAINING PROGRAM 160

The student must complete **80%** of the hours possible based on the applicable attendance schedule to complete the program. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total actual hours accrued by the total number of scheduled hours available. At the end of each evaluation period, the school will determine if the student has maintained at least **80%** cumulative attendance since the beginning of the program which will indicate, given the same attendance rate, the student will graduate within the maximum time frame allowed.

NOTE: Students must complete **80%** of the required hours for program completion and graduation.

ENTRY LEVEL TRACTOR TRAILER TRAINING PROGRAM 160 / PACE 80% Needed for SAP

40 Hours (End of 1st Week)/ PACE at 80% = 32 hours need to be completed.

160 Hours (End of Program)/PACE at 80%=128 hours need to be completed.

PROFESSIONAL TRACTOR TRAILER TRAINING PROGRAM 602

The student must meet a minimum of **90%** of the hours possible based on the applicable attendance schedule to complete the program. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total actual hours accrued by the total number of scheduled hours available. At the end of each evaluation period, the institution will determine if the student has maintained at least **90%** cumulative attendance since the beginning of the course which will indicate, given the same attendance rate, the student will graduate within the maximum time frame allowed.

NOTE: Students must complete **100%** of the required hours for program completion and graduation.

PROFESSIONAL TRACTOR TRAILER TRAINING PROGRAM 602/ PACE 90% for SAP

301 Hours (End of 9th Week)/PACE at 90%= 270 hours need to be completed.

602 Hours (End of Program)/PACE at 100%=602 hours need to be completed.

MAXIMUM TIME FRAME (MTF):**ENTRY LEVEL TRACTOR TRAILER TRAINING PROGRAM 160**

Given the short nature of the Entry Level tractor trailer training program 160, the course carries a stricter attendance policy. However, it holds a maximum allowable time frame of 125%.

- Scheduled Time: Full Time, 40 Hours /week- 160 Hours.
- Maximum Time Allowed - 200 Hours or 5 weeks.

PROFESSIONAL TRACTOR TRAILER TRAINING PROGRAM 602

Per U.S. Department of Education Guideline, the maximum time allowed for a student to complete the Professional Tractor Trailer Training Program is 143% of the required hours.

- Scheduled Time: Average 34 Hours/Week - 602 Hours
- Maximum Time Allowed - 861 Hours or 25 weeks.

DETERMINATION OF PROGRESS STATUS:

Students meeting the minimum requirements for academics and attendance at the evaluation period are making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Academic Progress report at the time of each evaluation. A copy will also be maintained in the student files. Students that are deemed NOT

maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on a warning or has prevailed upon appeal resulting from a status of probation.

SUSPENSION OF FINANCIAL AID ELIGIBILITY FOR DRUG-RELATED OFFENSES

A student who has been convicted of any offense under federal or state law involving the possession or sale of a controlled substance, while receiving Title IV funds, is no longer eligible to receive any federal grant, loan, or work assistance from the point of conviction and ending after the following:

Possession Offenses

- *First Offense – ineligible for 1 year*
- *Second Offense – ineligible for 2 years*
- *Third Offense – ineligible indefinitely*

Sale of Controlled Substance Offenses

- *First Offense – ineligible for 2 years*
- *Second Offense – ineligible indefinitely*

A student whose eligibility has been suspended may resume eligibility by completing an acceptable drug rehabilitation program, which must include at least two unannounced drug tests, and is qualified to receive funds from federal, state, or local governments; or from a federally or state-licensed insurance company; or be administered or recognized by a federal, state, or local government agency or court; or a federal or state licensed hospital, health clinic, or medical doctor.

GRADES

It is the responsibility of each student to meet the specific outcomes in the program. The student must also meet the general overall requirements for graduation, which include the following:

PERMIT TRAINING MAXIMUM TIME FRAME

Students who fail to obtain their permit within 2 weeks of starting class will be dropped from the program.

STUDENT TRAINING AND STATE EXAM POLICY

CDL Transition Policy Straight Line & Offset: If after two weeks of training, a Class A student cannot achieve satisfactory academic progress consisting of a score of at least 80% for behind the wheel training consisting of straight line and off set backing maneuvers as well as half of the required pre-trip inspection curriculum, they will be either A) be transitioned to a Class B program that starts at the institution's convenience -or- B) removed from the program.

CDL Transition Policy Alley Dock: If after two weeks of training, a Class A student cannot achieve satisfactory academic progress consisting of a score of at least 80% for behind the wheel training consisting of the 90-degree alley dock and the latter half of the pre-trip inspection curriculum, they will either A) be transitioned to a Class B program that starts at the institution's convenience -or- B) be removed from the program.

CDL Transition Policy Road: If after two weeks of training, a Class A student cannot achieve satisfactory academic progress consisting of a score of at least 80% for behind the wheel road training, they will either A) be transitioned to a Class B program that starts at the institution's convenience -or- B) be removed from the program -or- C) offered Class A automatic transmission training if shifting a manual transmission Class A vehicle is determined to be the primary reason for unsatisfactory Class A road SAP. If automatic Class A training is offered, the student affirms that the training is considered "specialized" and that the training sessions will be scheduled by U.S. Truck Driver Training School based on institutional convenience and asset availability.

Short/Special Courses: Short courses are considered specialty programs. As such, a "wait list" will be utilized for short courses. Once a short course or specialty class reflects at least (3) students of the same type of training, the short course will be scheduled to be conducted at the institution's convenience. Examples of short courses include but are not limited to Automatic Transmission Class A, 80-Hour Class A, 40-Hour Class A, 80-Hour Class B, 40-Hour Class B, and passenger endorsement training programs.

SAP (Satisfactory Academic Progress) Policy: U.S. Truck Driver Training School maintains a SAP policy that requires students to achieve scores of 80% or better on all graded curricula. This SAP policy is reflected for both behind the wheel curriculum and theory-based curricula for all programs offered through U.S. Truck Driver Training School.

Full-Time to Part-Time Transition Policy: Students enrolled in the Entry-Level Tractor Trailer Training Program 160 and 120 courses that experience a documented major life change may be permitted to transition from full-time training (weekday) to part-time training (weekend)

pending approval from the students funding source (if applicable) and from U.S. Truck Driver Training School staff. Proof of a major life change must be presented by the student to U.S. Truck Driver Training School staff. Students transitioning to a part time program must be able to attend both Saturday and Sunday and be available from 8:00am to 4:30pm both days to have the ability to be approved for the transition. If the student cannot attend both days for the time frame mentioned above, the student will be immediately dropped from the program. Part-time program offerings for Class B and short/special courses are strictly determined by U.S. Truck Driver Training School staff and may not be possible. If possible, these programs will be scheduled based on the convenience and availability of U.S. Truck Driver Training School assets.

State Exams and SAP: Any student who does not complete SAP with scores of at least 80% for all behind the wheel and theory curriculum assigned to their program will not be able to take a state exam for their respective CDL or endorsement. This is mandated by federal law and institutional policy. Failure to achieve SAP for both behind the wheel and theory-based curriculum within 2 weeks after completion of the student's program will result in either A) the student being transitioned to a Class B program offered at institutional convenience, or B) dropped from the program.

Hazardous Materials Endorsement SAP: Students who fail to achieve an overall grade of 80% for the theory based hazardous materials endorsement course will not be uploaded to the FMCSA Training Provider Registry and thusly will not be able to take the hazardous materials endorsement knowledge test at a Michigan Secretary of State location. The student will be financially responsible for the cost of the course to continue with the course after exhausting (2) attempts per quiz and failing to achieve an overall GPA of at least 80%. The student is responsible for determining their own qualification for obtaining a hazardous materials endorsement. No refunds will be issued if a student partially, or fully completes hazardous materials training and is then found to not be qualified to obtain their hazardous materials endorsement by the TSA, FMCSA, State, local, or any other government agency.

Training Locations Policy: At the discretion of U.S. Truck Driver Training School staff, a student may be assigned for training at either the institutions Sterling Heights and/or Detroit or any other institutional satellite locations.

Injuries Sustained Outside of School While In Training: Students that sustain injuries that make it impossible for them to continue training in their program must provide a physician's or nurse practitioner's note before U.S. Truck Driver Training School may allow the student to return to training. The decision if the student can return to training or not is determined solely by U.S. Truck Driver Training School Staff and the students funding source (if applicable). The maximum length of time that an injury can delay training time for is one month, after which students will be either A) be transitioned to a Class B program that starts at the institutions convenience -or- B) dropped from the program.

Communication with the School: Students that do not immediately (within 1 business day) communicate with the school for any scenario which will affect their agreed upon scheduled

training times may experience A) a delay in being scheduled for behind the wheel training in the students original training program -or- B) transitioned to a Class B program that starts at the institution's convenience -or- C) dropped from their program. This decision is determined solely by U.S. Truck Driver Training School staff and the students funding source (if applicable).

Additional Training Policy

USTDTS will provide 4 hours of additional training/test prep to all students who qualify. To qualify for the additional test prep without a charge, a student must meet all Theory criteria. If the hold up in State Examination is lack of student's attention to theory-based assignments, the institution will not honor the additional training without a charge.

The institution has invested in computers and staff to assist with assignments; therefore, no student should be behind on their theory portion at any time. Students who are behind will be denied additional training at the institution's expense. If the student wants additional training the charge is \$300 per 4-hour session

STATE EXAMINATION POLICY

STUDENTS ARE REQUIRED TO BE AVAILABLE FOR THEIR STATE EXAM UPON SUCCESSFUL COMPLETION OF THE PROGRAM. FOR EXAMPLE, STUDENTS GRADUATING ON FRIDAY MUST BE AVAILABLE FOR THEIR EXAM DATES/TIMES ON THE FOLLOWING WEDNESDAY, THURSDAY, FRIDAY, SATURDAY, OR SUNDAY BETWEEN HOURS OF 7:00 AM AND 3:00 PM.

GRADUATION AND COMPLETION- 602

To receive a graduation certificate/diploma. The following objectives must have been accomplished:

1. Students must complete each segment of the program with a minimum grade of 80%.
2. Must successfully complete a skill assessment evaluation with instructor.
3. Must meet attendance guidelines by attending 100% in or more of the scheduled hours.
4. Must have satisfied all financial obligations to USTDTS.

GRADUATION AND COMPLETION- 160

To receive a graduation certificate/diploma. The following objectives must have been accomplished:

1. Students must complete each segment of the program with a minimum grade of 80%.
2. Must successfully complete a skill assessment evaluation with instructor.
3. Must meet attendance guidelines by attending 80% in or more of the scheduled hours
4. Must have satisfied all financial obligations to USTDTS.

Completing the program successfully does not certify a student to drive a commercial vehicle. They must pass the state of Michigan class A CDL examination to be legally certified.

GRADE DEFINITIONS

Students are given percentage-based grades; a student's grade is their percentage earned of total points possible. Students are required to maintain an overall grade of at least 80%. This grade is an average of the grades received in the Classroom, Range, and Road courses. Skills are evaluated according to the procedures governed by the Michigan Department of Transportation and adopted by the school.

Percentage Grade definition:

90-100% Excellent

80-89 % Very good

70-79% Good

69-0% Failing.

CLOCK HOUR DEFINITION

USTDTS **ONLY** offers programs in Clock Hours.

Clock hours are the total number of actual hours per week a student spends attending class or other instructional activities that count toward completing the program.

To fulfill the full course of study requirement, students enrolled in:

PROFESSIONAL TRACTOR TRAILER TRAINING PROGRAM 602 must meet for at least 34 clock hours per week.

ENTRY LEVEL TRACTOR TRAILER TRAINING PROGRAM 160 Full time must meet for at least 40 hours per week, while students in:

ENTRY LEVEL TRACTOR TRAILER TRAINING PROGRAM 160 Part-Time must meet for at least 16 hours per week.

Attendance is important in programs that use clock hours, as you cannot fulfill the clock hour requirements for a full program of study unless you participate in instruction.

COURSE INCOMPLETES

Course Incompletes will not be included in the student's GPA calculation. The time attempted and completed will count in the quantitative requirement. Students who withdraw from USTDTS with the grade below 70%, their attempted and completed hours will count in the quantitative requirement; however, student's GPA will not count since the courses will fall under "incomplete."

If the student satisfactorily completes all the course requirements as set by the institution, the "I" (Incomplete) grade will be changed to a passing grade within one payment period from the date the passing grade was awarded, and SAP will be re-calculated. Otherwise, if the student did

not earn a passing grade, after one payment period the “I” will automatically change to an “F.” The student will only have 14 days from the end of the payment period to plan with the classroom/yard instructor if he/she has a grade of “I” or “F” for missing the final evaluation due to an excused absence. If the 14-day mark has passed, “F” grade will become permanent, and the student has to retake the portion of the program in order to earn a satisfactory grade and complete the program.

Regardless of if the student receives Title IV aid or pays out of their pocket, the same SAP policy applies, and the payment period is accounted-for in the maximum duration calculation of the program.

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student’s contract period and maximum time frames by the same number of days taken on the leave of absence and will not be included in the student’s cumulative attendance percentage calculation.

REMEDIAL COURSES

USTDTS does not offer non-credit remedial courses.

CHANGING PROGRAMS OF STUDY

Students are not permitted to transfer between programs at USTDTS.

ENROLLING IN A SECOND PROGRAM OF STUDY

USTDTS does not offer an option for a second program to be taken concurrently. A student may take the second-choice program after completing the program that the student is currently enrolled in. SAP-status and the maximum-duration of each program will be counted separately from the first program choice.

ACADEMIC RESOURCES

MEDIA SERVICES

Media services are available during the normal operation of business. The students have access from 8:00 a.m. to 5:00 p.m. Monday - Friday and Saturday 10:00 a.m. to 2:00 p.m. The school provides students with the ability to access computers for research and job applications. The student handbook contains the necessary contact information for all the instructional and administrative staff members. Online resources are also available via the school website. Extra training is provided pending the approval of the director of training and typically takes place during normal operation of business. However, additional training can be scheduled after hours, if necessary.

STUDENT RESOURCES

CAMPUS SAFETY POLICIES

Campus Safety policies and procedures are presented during orientations for new students/faculty. Policies are also available in the Financial Aid Office, and online in the Student Handbook.

CLERY ACT ANNUAL SECURITY REPORT

Each year, the Director of the USTDTS Financial Aid Department prepares an Annual Security Report of crime statistics for each of the three most recent years of crimes that were committed on campus, in or on a non-campus building or property, or on public property within or immediately adjacent to and accessible from the campus. This report is compiled from all the incidents reported to the institution by any one of the following sources:

- Victim
- Witness
- Third Party
- Perpetrator
- Local law enforcement agencies

This report includes policies, procedures, programs, and statistics on Criminal Murder; Non-Negligent

Manslaughter and Manslaughter by Negligence; Sex Offenses; Robbery; Aggravated Assault; Burglary; Motor Vehicle Theft; Arson; Hate Crimes; Domestic Violence; Dating Violence; Stalking; as well as arrests and/or disciplinary referrals for Illegal Weapons Possession and Drug or Liquor

Law violations. This annual statement will be collected, reported, and disseminated to the campus community as well as to the U.S. Department of Education.

The Annual Security Report will be retained by the campus Administrative Offices for a period of seven (7) years.

The Annual Security Report will be made available online each year by October 1st at www.ustdts.edu

Each year, a paper copy notification will be handed to all enrolled students and an email notification will be sent to employees of USTDTS via their USTDTS provided email account announcing publication of the “Annual Security Report” and providing the web site to access this information.

Prospective students and prospective employees will be provided with a notice containing a statement of the report’s availability, and a description of its contents, the exact web address of the internet or intranet web site at which the report is posted and the opportunity to request a paper copy. Additionally, any person interviewed as a result of an advertisement shall be provided with notice of the availability of the Annual Security Report.

Anyone may obtain a paper copy of the Annual Security Report through the Financial Aid Department. There is no fee charged for this report.

This Annual Security Report is in compliance with the *Jeanne Clery Act* and is prepared in cooperation with the City of Sterling Heights Police Department, USTDTS’s Campus Authorities, students, employees, witnesses and third-party information.

ALCOHOL AND DRUG POLICY AND PREVENTION

U.S. Truck Driver Training School is grounded in the principles of student achievement, health, and safety; hence, the school strictly enforces a drug-free campus policy. Regulations set forth below are to promote an academic environment conducive to student and career achievement and comply with the Drug-Free Schools and Communities Act Amendments of 1989.

In compliance with federal, state, and local laws, USTDTS prohibits the unlawful manufacture, distribution, sale, possession, or consumption of narcotics, illegal drugs, prescription drugs for which the person does not have a prescription, or alcohol by students, employees, or contractors on any school property or school-sponsored event. The Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-226) requires that the school inform all members of the USTDTS community of the legal sanctions of illicit drugs and alcohol, which may include suspension/termination of employment and possible referral for criminal prosecution. Violations are recorded in the individual's file.

Students should be aware that those found guilty of violation of the Drug-Free Campus Policy may lose financial assistance provided by the school. Furthermore, according to the Anti-Drug Abuse Act of 1988 (Section 5301), students who receive federal aid must certify that they will not engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance during the period covered by the aid. If students are convicted of drug distribution or possession, the court may suspend their eligibility for Title IV aid.

The school tests for drug use during the program and can subject students to random drug testing if drug use is reported or suspected. The use of drugs is a major DOT violation and has the potential to end a professional driver's career.

Use of drugs and alcohol can inhibit your ability to operate motor vehicles. A major focus of this program revolves around the use of motorized equipment. **This includes the use of Marijuana for medical purposes.** It is prohibited by DOT standards. Medical cards are also not valid state to state. Traveling across state lines is a requirement of employment in most cases after graduation.

Employees or students who believe they have a drug abuse problem can utilize the following resources for help.

USTDTS DRUG AND ALCOHOL ABUSE PREVENTION PROGRAM

U.S. Truck Driver Training School, Inc. (USTDTS) has developed and implemented a comprehensive drug and alcohol abuse prevention program (DAAPP) for its students and employees. The DAAPP has four elements: standards of conduct, treatment, education, and a biennial program review. Together, these program components are intended to deter students and employees from using illicit drugs and abusing alcohol on USTDTS property and in connection with USTDTS-sponsored activities.

STANDARDS OF CONDUCT

USTDTS is committed to a drug-free environment for its faculty, staff, and students. USTDTS prohibits the “unlawful possession, use, distribution, dispensation, sale or manufacture of drugs or alcohol on USTDTS premises, at USTDTS activities and at USTDTS worksites.” Any employee or student who is convicted of a criminal drug offense occurring at the workplace or is convicted of the unlawful possession, use, distribution, dispensation, sale or manufacture of drugs or alcohol on USTDTS premises or at any USTDTS activity is subject to disciplinary action. The use or possession of alcoholic beverages is expressly prohibited on USTDTS property. These rules are enforced by the Student Code of Conduct. The Student Code of Conduct prohibits the illegal use, possession, manufacture, or distribution of drugs and requires compliance with USTDTS regulations relating to the sale and consumption of alcoholic beverages. Sanctions for violations range from a reprimand to expulsion and convictions from the possession and sale of controlled substances can result in the ineligibility for federal financial aid. Intoxicated individuals are subject to sanctions. Illegal drugs, their possession, use, sale, manufacture, distribution, and paraphernalia are banned. Sanctions for a violation of the USTDTS regulations include a verbal warning, suspension of privileges and removal from the program.

Disciplinary action that may be taken against employees who violated USTDTS drug and alcohol policies are governed by the Employee Policy and Procedures Manual.

TREATMENT OPTIONS

Students who need assistance with drug or alcohol problems may contact the Director of Educational Services. In addition to providing individual counseling, USTDTS operates a Substance Use Committee, composed of staff members with expertise in assessment and treatment of substance use disorders. The committee runs a substance use support group for students, conducts specialized assessments when necessary to determine disposition of cases with substance use concerns, and advises outreach efforts regarding prevention. The Director of Educational Services also maintains a list of referrals for substance abuse treatment. Students may be referred to an outside agency for treatment. Employees may obtain assistance from the Employee Assistance Program. It provides short-term counseling and crisis intervention for a wide variety of personal issues, including drug and alcohol abuse. The Employee Assistance Program is a free benefit offered to eligible employees. Additional information about treatment options provided by these resources may be found in hard copy at their respective offices.

EDUCATION

USTDTS conveys information about its DAAPP to both students and employees. A description of the DAAPP and other related information is included in the USTDTS Annual Security Report is emailed with each application and employees are emailed with an update each October. As a part of the admissions procedure, the admissions office verbally notifies all prospective students about resources that are offered by USTDTS. The Director of Educational Services provides presentations on substance abuse to departments upon request. Leadership and/or the Director of Educational Services also provides information to students and employees during orientation along with a variety of useful information related to drug and alcohol abuse.

DISTRIBUTION

The DAAPP will be included on the USTDTS website as a part of the Consumer Information Disclosures. Additionally, the information required under the Drug Free Schools and Communities Act (DFSCA) will also be included in the Annual Security Report which will be provided to all students and employees via paper copy or email on or before October 1st. Additional information about the DAAPP will be available in hard copy as described above.

BIENNIAL REVIEW OF DAAPP

Every even numbered year, USTDTS reviews the DAAPP. The review is undertaken to determine the following:

1. The effectiveness of the DAAPP.
2. The number of drug and alcohol-related violations and fatalities that occurred on USTDTS campus or as part of the USTDTS activity were reported to USTDTS officials in the previous two calendar years.
3. The number and type of sanctions that are imposed by USTDTS because of drug and alcohol- related violations and fatalities on USTDTS campus or as part of the USTDTS activities in the previous two calendar years: and
4. To ensure that sanctions for violations by students and employees of the applicable standards of conduct pertaining to the unlawful possession, use, or distribution of illicit drugs or abuse of alcohol are enforced consistently.

The review shall be conducted by a committee composed of the Director of Educational Services, Vice President & Director of Financial Aid, and the President. The committee shall begin its work in April and finalize its report by the end of July. Relevant data, including the information described above, shall be provided to the President upon the committee's request. The committee will then identify any recommendations for improving the effectiveness of the DAAPP. The final report will be available to all students and employees via the USTDTS Consumer Information Disclosures webpage.

The President and Vice President will review to ensure that the institution complies with the regulatory requirements of this program including, but not limited to, the distribution of information, the accurate collection of data, the consistent enforcement of sanctions, the timely completion of the biennial review, and the implementation of recommendations.

For improving the effectiveness of the DAAPP. The final report will be available to all students and employees via the USTDTS Consumer Information Disclosures webpage.

The President will review to ensure that the institution complies with the regulatory requirements of this program including, but not limited to, the distribution of information, the accurate collection of data, the consistent enforcement of sanctions, the timely completion of the biennial review, and the implementation of recommendations.

USTDTS students and employees are expected to abide by all federal, state, and local laws. The use of alcohol on USTDTS owned or leased property or during an institution sponsored activity is strictly prohibited. Violations will result in immediate disciplinary action up to and including expulsion.

Health Risks

Alcohol and drug use present numerous health, behavioral, and social problems. These include acute health problems related to intoxication or overdose, physical and psychological dependence, interference with memory sensation and perception, potential permanent brain damage or death, additional long-term health problems, contraction of diseases, pregnancy problems, psychological problems, diminished behavior, risk taking, violent behavior, accidents, negative side effects on academic or work performance, and conduct problems.

Legal Sanctions

The following laws are strictly enforced by USTDTS Campus Authority and local law enforcement agencies.

A minor (defined as a person under the age of 21) may not “purchase or attempt to purchase alcoholic liquor, consume or attempt to consume alcoholic liquor, possess or attempt to possess alcoholic liquor, or have any bodily alcohol content.” Violations of the law may subject the individual to fines, participation in a substance abuse program, imprisonment, community service hours, and/or out-of-pocket expenses related to required substance abuse screenings.

Local Laws

Although local laws and ordinances may vary by county, they typically consider the following as violations: consumption in public places, possession, and use of alcohol by minors, uncapped liquor in passenger compartments of vehicles, and all substance abuse ordinances. Sanctions

could range from a civil infraction with attached fines to probation, rehabilitation, or even imprisonment.

REPORTING A FIRE

If a fire occurs in a USTDTS building, community members should immediately notify Campus Authority at **585-838-1268**. The Campus Authority will initiate a response and contact the local fire department. If a member of the USTDTS community finds evidence of a fire that has been extinguished, and the person is not sure whether Campus Authority has already responded, the community member should immediately notify Campus Authority to investigate and document the incident.

GENERAL PROCEDURES IN CASE OF A FIRE

At the sound of a fire alarm or if you are instructed to evacuate, leave your area immediately and proceed to the nearest exit, and leave the building. If you are the first to recognize a fire situation, activate the alarm, evacuate to a safe location using the nearest exit, and notify Campus Authority at **586-838-1268** or dial **911**.

1. Remain Calm
2. Assist the physically impaired.
3. If unable to assist, immediately inform Campus Authority or the responding Fire Dept. of the individual's location.
4. Proceed to a designated reassembly area.
5. Keep all walkways clear for emergency vehicles.
6. Make sure all personnel are out of the building.
7. Do not re-enter the building.

FIRE DRILLS

USTDTS Campus conducts two fire drills per Academic Year randomly during class sessions. In most instances first drill happens In July at the beginning of the academic year and second one happens in June at the end of the academic year.

POLICY RELATED TO FIRE SAFETY EQUIPMENT

Students found tampering with and/or disabling the fire alarm mechanisms and/or smoke detectors and/or refusing to vacate a building in the event of a fire alarm will have disciplinary action taken against them and may be terminated by the USTDTS. The institution may assess residents either collectively or individually for false alarms and/or damage to alarm mechanisms and/or extinguishers.

EMERGENCY RESPONSE & EVACUATIONS

U.S. Truck Driver Training School practices emergency response procedures during the academic school year. Evacuation plans are posted throughout the school and fire drills are practiced at random throughout the academic year while class is in session. Evacuation maps are in all office spaces, classrooms, bathrooms, garages, and gathering places throughout the USTDTS facility. In the event of an emergency that requires evacuation, all staff and students are to immediately exit the building and training grounds and meet at the USTDTS sign located nearest the street in front of the building. Daily evaluation sheets will be used to conduct a head count of students at the meeting area. The most recent list of USTDTS staff and visitor sign-in sheet (located at the front lobby reception desk) will be used to conduct a head count of staff and visitors at the meeting area (the USTDTS sign located nearest the street in front of the building).

EMERGENCY EVACUATION

In the event of an emergency that requires evacuation, all staff and students are to immediately exit the building and training grounds and meet at the USTDTS sign located nearest the street in front of the building. In the event of a take shelter emergency students and staff are to gather in the student restrooms located next to the main classroom on the east side of the building

CAMPUS EMERGENCY NOTIFICATION

Upon confirmation of an emergency (typically confirmed by School Director in conjunction with institution administrators, local first responder agencies and/or the National Weather Service) or ongoing dangerous situation on campus, in or on a non-campus building or property, or on public property within or immediately adjacent to and accessible from the campus that, in the judgment of the President, a Vice President and/or School Director and/or their designee constitutes an immediate threat to the health or safety of some or all of the members of the USTDTS community, an emergency notification will be immediately issued to the campus community or the segment of the community that is affected by the emergency. The decision to issue an emergency notification, determine the appropriate segment of the campus community to notify, and the content of the notification, will be made on a case-by-case basis

by consultation with the School President, Vice Presidents, and/or School Director, or their designee in light of all the facts, the nature of the incident, the continuing immediate danger to the campus community and the possible risk of compromising law enforcement efforts. USTDTS will immediately determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

Depending upon the particular circumstances of the crime or incident, an emergency notification may be issued utilizing one or more of the following methods:

- Email
- Text messaging
- Voice Messaging
- Contacting the local media
- Face-to-face communication, if deemed necessary

Additionally, anyone with information warranting an emergency notification may report the circumstances to the Campus Authority by calling **586-838-1268** or by coming into the office.

Due to the nature of services provided at USTDTS (classroom, yard, and road) Instructors will be notified of an emergency and instructor will immediately notify their students.

General information about the emergency response and evacuation procedures for USTDTS are publicized each year as part of the institution's Clery Act compliance efforts (*Annual Security and Fire Safety Report*).

TIMELY WARNING

All crimes specific to the *Clery Act* are required to be assessed for a potential Timely Warning Notice if the crime represents a serious or continuing threat to the community. In the event that a crime occurs within the Clery Geography (on campus, in or on a non-campus building or property, or on public property within or immediately adjacent to and accessible from the campus) that, in the judgment of the President, a Vice President and/or Campus Director or their designee constitutes a serious or continuing threat to persons or property, and/or as an educational effort to prevent similar crime(s) in the future, a campus wide timely warning will be issued. The decision to issue a timely warning will be made on a case-by-case basis in light of all the facts surrounding the crime, including factors such as the date and time of the crime or incident versus the date it was reported to a USTDTS official, the nature of the crime, the continuing danger to the campus community and the possible risk of compromising law enforcement efforts. Timely Warnings may typically be issued for the following Uniformed Crime Reporting Program (UCR)/National Incident Based Reporting System (NIBRS) crime classifications: Criminal Homicide, including Murder and Non-negligent Manslaughter, and Manslaughter by Negligence; Sexual Assault, including Rape, Fondling, Incest and Statutory Rape; Robbery; Aggravated Assault; Burglary; Motor Vehicle Theft; and Arson. The issuance of a timely warning will be considered on a case-by-case basis, depending on the facts of the case and the information known by Campus Authority. For example, if an assault occurs between two

students who have a disagreement, there may be no on-going threat to other USTDTS community members, and a Timely Warnings would not be distributed. In cases involving sexual assault, they are often reported long after the incident occurred, thus there is no ability to distribute a “timely” warning notice to the community. Sex offenses will be considered on a case-by-case basis depending on when and where the incident occurred, when it was reported, and the amount of information known by Campus Authority. School Director, or their designer will determine what type of information will be included in the timely warning and will likewise be responsible for issuing the warning.

Depending upon the particular circumstances of the crime or incident, a timely warning may be issued utilizing a bulletin board throughout the campus.

Timely Warnings will be issued in a manner that is timely, that withholds the names of victims as confidential, and that will aid in the prevention of similar occurrences. Additionally, anyone with information warranting a timely warning may report the circumstances to the Campus Authority by calling **586-838-1268** or by coming into the office.

REPORTING A CRIME OR EMERGENCY

USTDTS encourages accurate and prompt reporting of all crimes to School Director and the local law enforcement agency. If the victim is unable (physically/mentally) to make such a report first available USTDTS Authority will contact the local law enforcement agency on their behalf.

If anyone on campus, in or on a non-campus building or property, or on public property within or immediately adjacent to and accessible from the campus is a victim of a crime, a witness to a crime, has third party information, or observes suspicious activity, they should immediately report it to the Campus Authority by calling **586-838-1268** or by coming into the office. For non-campus options crimes may be reported to the Sterling Heights Police Department, by calling **586-446-2800**, or the Michigan State Police Department by calling **911** or stopping by the local police station. If law enforcement is requested, the department may take information over the phone, may respond to your location, or require you to make the report at the police station. Law enforcement may gather information, collect evidence, obtain written statements, prepare a report and submit it to the local prosecutor.

Crimes **should** be reported to a school official, and the Financial Aid Department must be notified to ensure inclusion in the annual crime statistics and to aid in providing Timely Warning Notices to the institution’s community, when appropriate.

Crimes may also be reported to any Campus Authority (CA). The CA is anyone on campus who has significant responsibility for student and campus activities. A CA may include President, Vice-President, Campus Director, Admissions Representative, Financial Aid Coordinator, Instructor, and or Career Services Advisor.

RESPONSE TO REPORTS

Administrative Personnel are available at the number listed above between 8 am and 5 pm Monday through Friday to answer your calls. Yard and Road instructional staff are available Saturday and Sunday from 8 am to 4:30 pm. In response to a call, the Campus Authority will take

the required action, either dispatching an officer or asking the victim to report to School Director to file an incident report. All reported crimes may be investigated by the institution and may become a matter of public record. Campus Safety incident reports are forwarded to the school Director for review and referral to the Vice President. Investigation will be performed by the VP and if assistance is required from a local law enforcement agency or the local fire department, Campus Authority will contact the appropriate agency. If a sexual assault or rape should occur, staff on the scene, including Campus Authority, will offer the victim a wide variety of services.

VOLUNTARY CONFIDENTIAL REPORTING PROCEDURES

USTDTS encourages anyone who is the victim or witness to any crime to promptly report the incident to the authorities. Individuals who report information to the police should be given the opportunity to remain anonymous. If a student reports a crime to the school the school will hold their name confidential unless the student wishes divulge themselves as a witness to a crime.

SEXUAL ASSULT DEFINITIONS

Sexual Assault: An offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's Uniform Crime Reporting (UCR) program. Per the National Incident-Based Reporting System User Manual from the FBI UCR Program, a sex offense is "any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent."

In Michigan Criminal Sexual Assaults are defined as: sexual penetration or sexual contact with a person without their consent, or with someone who is incapable of giving consent.

Rape: The penetration, no matter how slight, of the vagina or anus with anybody part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

Fondling: The touching of the private parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

Incest: Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Statutory Rape: Sexual intercourse with a person who is under the statutory age of consent.

person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

In Michigan Domestic Violence means the occurrence of any of the following acts by a person that is not an act of self-defense: Causing or attempting to cause physical or mental harm to a family or household member, placing a family or household member in fear of physical or mental harm, causing or attempting to cause a family or household member to engage in involuntary sexual activity by force, threat of force, or duress, engaging in activity toward a family or household member that would cause a reasonable person to feel terrorized, frightened, intimidated, threatened, harassed, or molested. Family or household member includes any of the following: spouse or former spouse, an individual with whom the person resides or has resided, an individual with whom the person has or has had a dating relationship, an individual with whom the person is or has engaged in a sexual relationship, an individual to whom the person is related or was formerly related by marriage, an individual with whom the person has a child in common.

Dating Violence: Means violence committed by a person (a) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (b) where the existence of such a relationship will be determined based on the reporting party's statement with a consideration of the following factors:

1. The length of the relationship,
2. The type of relationship,
3. The frequency of interaction between the people involved in the relationship.

For the purposes of this definition:

A) Dating Violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.

B) Dating violence does not include acts covered under the definition of domestic violence.

In Michigan Dating Violence is violence when a person is in a dating relationship with someone. Dating relationship means frequent, intimate associations primarily characterized by the expectation of affectional involvement. Dating relationship does not include a causal relationship or an ordinary fraternization between two individuals in a business or social context.

Stalking: Means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others. Also, suffer substantial emotional distress. For the purposes of this definition:

- B) A reasonable person means a reasonable person under similar circumstances and with similar identities to the victim.
- C) Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling. In Michigan Stalking means a willful course of conduct involving repeated or continuing harassment of another individual that would cause a reasonable person to feel terrorized, frightened, intimidated, threatened, harassed, or molested and that actually causes the victim to feel terrorized, frightened, intimidated, threatened, harassed, or molested.

VIOLENCE AGAINST WOMEN ACT/SEXUAL ASSAULT PROCEDURES FOR REPORTING A COMPLAINT

The institution has procedures in place that serve to be sensitive to those who report sexual assault, domestic violence, dating violence, and stalking, this includes informing individuals about their right to file criminal charges as well as the availability of medical, counseling, and support services. It is the victims' choice to call, or not call, local law enforcement in regard to their complaint. The Campus Authority will assist in calling local law enforcement if requested. If law enforcement is requested, the department may take information over the phone, may respond to your location, or require you to make the report at the police station. Law enforcement may gather information, collect evidence, obtain written statements, prepare a report and submit it to the local prosecutor. Additional remedies may be implemented to prevent contact between a complainant (victim) and an accused party, such as academic, transportation, and working accommodations, if reasonably available. To file a complaint, students should contact School Director (586-838-1268).

When a student or employee reports to the institution that the student or employee has been a victim of dating violence, domestic violence, sexual assault, or stalking, whether the offense occurred on or off campus, the institution will provide the student or employee with a written explanation of the student or employee's rights and options.

HOW TO BE AN ACTIVE BYSTANDER

Bystanders play a critical role in the prevention of sexual and relationship violence. They are individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it. USTDTS wants to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. Below is a list of some ways to be an active bystander. If you or someone else is in immediate danger or it is not safe for you to intervene dial **911**.

1. Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
2. Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person.
4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
5. Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

RISK REDUCTION

With no intent to victim blame and recognizing that only abusers are responsible for their abuse, the following are some strategies to reduce one's risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network, www.rainn.org).

1. **Be aware** of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
2. **Try to avoid isolated areas.** It is more difficult to get help if no one is around.
3. **Walk with purpose.** Even if you don't know where you are going, act like you do.
4. **Trust your instincts.** If a situation or location feels unsafe or uncomfortable, it probably isn't the best place to be.
5. **Try not to load yourself down** with packages or bags as this can make you appear more vulnerable.
6. **Make sure your cell phone is with you** and charged and that you have cash money.
7. **Don't allow yourself to be isolated** with someone you don't trust or someone you don't know.
8. **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.
9. **When you go to a social gathering, go with a group of friends.** Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
10. **Trust your instincts.** If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).
11. **Don't leave your drink unattended** while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, just get a new one.

12. **Don't accept drinks from people you don't know or trust.** If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.
13. **Watch out for your friends, and vice versa.** If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had, or is acting out of character, get him or her to a safe place immediately.
14. **If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).** Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).
15. If you need to get out of an uncomfortable or scary situation here are some things that you can try:
 - a. **Remember that being in this situation is not your fault.** You did not do anything wrong; it is the person who is making you uncomfortable that is to blame.
 - b. **Be true to yourself.** Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.
 - c. **Have a code word with your friends or family** so that if you don't feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
 - d. **Lie.** If you don't want to hurt the person's feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are:

Needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.
16. **Try to think of an escape route.** How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?

CAREER PLACEMENT ASSISTANCE

The purpose of the career services department is to provide career guidance and industry insight to our current students and graduates of our school. Each enrolled student completes a full job placement consultation during their training course to ensure applications are accurately completed and submitted for review. All graduates are encouraged to utilize U.S. Truck Driver Training School's career services department for a lifetime. In fact, we take a proactive approach by notifying our former students about new and exciting employment opportunities that can increase their income, and in some cases, include more home time.

U.S. Truck Driver Training School maintains an exclusive job placement program that is reserved for our graduates only. We have aligned ourselves with many of the premier transportation companies both locally and nationally. Our graduates can obtain local truck driving positions averaging between 40-60 Hours per week. Students can also obtain dedicated, regional, and OTR driving jobs that require being out of the state for as little as 2 days and up to as many as 21 days at a time. Pay scales vary by employer and position detail. Please see the Career Services Department for details on pay rates, benefit packages, home time, and other related company info.

CAREER PLACEMENT ADVISEMENT

Please note that U.S. Truck Driver Training School **does not guarantee** employment. U.S. Truck Driver will make every effort to assist students in finding a job, however certain conditions may make it more difficult to find employment in the truck driving industry. Examples of conditions include certain moving and traffic violations, criminal history, age (individuals under 21 cannot legally cross state lines in a commercial vehicle), and physical health.

DISCLOSURES

Campus Safety

Each year the Director of the USTDTS Financial Aid Department prepares an Annual Security Report of crime statistics for each of the three most recent years of crimes that were committed on campus, in or on a non-campus building or property, or on public property within or immediately adjacent to and accessible from the campus. This report is compiled from all of the incidents reported to the institution by any one of the following sources:

- Victim
- Witness
- Third Party
- Perpetrator
- Local law enforcement agencies

This report includes policies, procedures, programs, and statistics on Criminal Murder; Non-Negligent

Manslaughter and Manslaughter by Negligence; Sex Offenses; Robbery; Aggravated Assault; Burglary; Motor Vehicle Theft; Arson; Hate Crimes; Domestic Violence; Dating Violence; Stalking; as well as arrests and/or disciplinary referrals for Illegal Weapons Possession and Drug or Liquor Law violations. This annual statement will be collected, reported, and disseminated to the campus community as well as to the U.S. Department of Education.

The Annual Security Report will be retained by the campus Administrative Offices for a period of seven (7) years.

The Annual Security Report will be made available online each year by October 1st at www.ustdts.edu

Each year, a paper copy notification will be handed to all enrolled students and an email notification will be sent to employees of USTDTS via their USTDTS provided email account announcing publication of the “Annual Security Report” and providing the web site to access this information.

Prospective students and prospective employees will be provided with a notice containing a statement of the report’s availability, and a description of its contents, the exact web address of the internet or intranet web site at which the report is posted and the opportunity to request a paper copy. Additionally, any person interviewed as a result of an advertisement shall be provided with notice of the availability of the Annual Security Report.

Anyone may obtain a paper copy of the Annual Security Report through the Financial Aid Department. There is no fee charged for this report.

This Annual Security Report is in compliance with the *Jeanne Clery Act* and is prepared in cooperation with the City of Sterling Heights Police Department, USTDTS’s Campus Authorities, students, employees, witnesses and third-party information.

THE COLLEGE NAVIGATOR

The College Navigator is a consumer tool that provides school information to include tuition and fees, retention and graduation rates, use of financial aid, student loan default rates and features a cost calculator and school comparison tool.

The College Navigator consists primarily of the latest data from the **Integrated Postsecondary Education Data System (IPEDS)**, the core postsecondary education data collection program for NCES – the National Center for Education Statistics.

STUDENT RIGHT-TO-KNOW GRADUATION RATE

The following statistics apply to first-time, full-time students who began certificate programs at USTDTS in 2021. First-time, full-time students – who have never enrolled in college before 99.8% completed their programs within 143% of the “normal” time for completion. • .1 percent transferred to another institution of higher learning. • .1 percent were academically dismissed. The remainder withdrew from the USTDTS for various reasons during the four-month period. These statistics are representative of only part of the student body. Many USTDTS students transfer from other colleges and universities. Length of time to graduation and withdrawals are influenced by a variety of factors. Some students who begin their trade school careers as full-time students then drop out due to not being able to balance college, family, and work. Many students “stop out” out of the program until the next class starts. This extends the time for completion of their programs. Some students, working students, withdraw from the program

once their previous career objectives have been met or they changed their mind on current career objectives.

ACADEMIC POLICIES

CLASS WITHDRAWAL AND CANCELTION POLICY

TUITION REFUNDS

The Class Withdrawal and Refund Policies are based on the official notice date and enrollment period. A refund is available after withdrawal from the program if the student is within the institution's guidelines.

RETURN OF TITLE IV FINANCIAL AID FUNDS (R2T4)

If a student withdraws or stops attending, federal financial aid regulations require that a calculation be done on financial aid funds received for that payment period. Since USTDTS is required to take attendance, when a student drops officially or unofficially, the last day of attendance will be used as the withdrawal date when performing the R2T4 Calculation. Federal financial aid is not 100% earned until the attendance has exceeded 60% of the payment period. Because of the calculation, a student may be responsible for paying tuition charges that were originally covered by financial aid funds that the school was required to return. Students should contact the Financial Aid Office at the school for additional information about the R2T4 (Return to Title IV) calculation. $(\% \text{ of enrollment that is completed}) \times (\text{the total Title IV funds disbursed}) + \text{the Title IV funds that could have been disbursed by federal guidelines} = \text{the amount of Title IV aid earned}$.

- Official withdrawal from a program is communicated to the admissions and/or training department in writing or verbally.
- Unofficial withdrawal commences on the 14th consecutive day of absence with no prior communication with the institution. The institution will attempt to reach out to students when absent.

Any Title IV financial aid that is unearned must be returned. If the student does not receive the full Title IV that he/she earned, then a post withdrawal disbursement may be made.

The calculation steps are as follows:

1. DETERMINE THE WITHDRAWAL DATE

The withdrawal date, which is the last day of attendance for both official and unofficial withdrawals is used to calculate the amount of earned and unearned federal aid for the payment period.

2. CALCULATE THE PERCENTAGE OF ENROLLMENT PERIOD COMPLETED

Divide the number of scheduled hours until LDA by the number of scheduled hours in the payment period. If the percentage is greater than 60, the student has earned 100 percent of Title IV aid.

3. CALCULATE THE AMOUNT OF EARNED TITLE IV AID

Multiply the percentage of the earned hours (if less than 60%) by the total Title IV aid disbursed or that could have been disbursed according to late disbursement rules.

4. CALCULATE THE AMOUNT TO DISBURSE (PWD) OR TO RETURN

Returned = Title IV disbursed minus aid earned; PWD = Aid earned minus Title IV disbursed

For Post-Withdrawal Disbursements, (PWD), Grant funds must be disbursed within 45 days, Loan funds must be offered to the student within 30 days. The student must respond within 14 days to accept or decline the funds.

5. Calculate Amount of Unearned Title IV Aid

Determine which institution charges for the payment period. Institution is required to return the lesser of Title IV to be returned or number of unearned charges.

6. RETURN OF TITLE IV FUNDS

- a. These funds must be returned within 45 days of determination that the student has withdrawn (officially or unofficially for nonattendance).
- b. The student may be responsible for any balance of unearned Title IV funds that were not required to be returned by the institution.
- c. If the R2T4 calculation results in a credit balance owed to the student, it must be disbursed to the student within 14 days.
 - If the student's portion of the aid to be returned is a loan, the student is not immediately required to repay the loan. The terms of the original loan repayment agreement will apply.
 - If the student's portion of aid to be returned is an overpayment of a grant, the student is required to repay only the amount exceeding 50 percent of the total grant for original amounts over \$50. The institution will notify the student of the amount and the procedures for repayment if this is required. If the student does not repay the funds, the student is not eligible for federal Title IV funds at any institution until the overpayment is paid. Institution can refer a student overpayment that is not paid by the student to the U. S. Department of Education.

7 RETURN OF UNEARNED TITLE IV FUNDS

The institution allocates the return of Title IV funds, and any overpayment funds collected from the student, by reducing or eliminating outstanding balances on the funding source, received by the student for the enrollment period for which he/she was charged. The return of funds is processed within 45 days from the date of determination of withdrawal, in the following order:

- Unsubsidized federal Stafford loans
- Subsidized federal Stafford Loans

- Federal Parent PLUS Loans
- Federal Pell Grant

Post-withdrawal disbursements: If the calculation results in earned funds that have not been paid to the student account, a post-withdrawal disbursement may be calculated. If student loans are included in the aid that has not yet been paid, the student will have the option to decline the loan funds, so he/she does not incur additional debt. A post-withdrawal disbursement of loan funds is not an option for first-time/first-year borrowers who withdrew during the first 30 days of enrollment because loans cannot be disbursed. The institution may use all, or a portion of, grant funds eligible for a post-withdrawal disbursement toward tuition fees without student permission. If the student has any other charges, the student must give permission to use the grant funds.

NOTE: The federal regulations governing Title IV aid refunds are separate from the institution's refund policy for tuition and charges. Withdrawing from classes may also impact satisfactory academic progress.

LEAVE OF ABSENCE POLICY

U.S. Truck Driver Training School, Inc. allows students to take a leave of absence when deemed necessary. If the student is a Title IV loan recipient, the school must explain to the student, prior to granting the LOA, the effects that the student's failure to return from a LOA may have on the student's loan repayment terms, including the expiration of the student's grace period. The institution will not assess the student any additional institutional charges, the student's need will not increase, and therefore, the student is not eligible for any additional Title IV aid. The school will approve the student's request for a LOA in accordance with the school's Policy.

For a Leave of Absence (LOA) to be counted as a temporary interruption in a student's education instead of being counted as a withdrawal, a student must meet certain conditions. For a LOA to qualify as an approved LOA:

- A student must submit a written request and include the reason for the request.
- A student must follow the school's policy in requesting the LOA.
- There must be a reasonable expectation that the student will return from the LOA.
- The LOA, together with any additional leaves of absence, must not exceed a total of 180 days in any 12-month period.

COURSE REPETITION POLICY

Students wishing to repeat a course/segment of the program to earn a higher grade can do so. The higher grade of the two will replace the lower grade. However, repeating a course will affect the maximum allowable time frame for a program. For example, the Professional Tractor Trailer

Training Program 602 program duration is 4 months multiply by 143% equals to 6 months to finish the repeated portion of the program.

Student's SAP requirements are updated once new grades are available. Both quantitative and qualitative requirements are followed.

Students that exceed the MTA and needing to repeat will not be eligible for financial aid and must pay for additional tuition expenses through private non-federal aid means.

For example, to repeat a portion of the first 301 hours of the Professional Tractor Trailer Training Program, the cost to repeat the portion of the course is calculated by dividing the total of the tuition and fees by total number of clock hours and multiplied by the clock hours in the Professional Tractor Trailer Training Program.

$$\frac{\$5247.50 \text{ (1st Payment Period 301 hours tuition and fees)}}{301 \text{ (1st Payment Period attempted hours)}} = \$17.43 \text{ (cost per attempted hour)}$$

$$\$17.43 \text{ (cost per attempted hour)} \times (40 \text{ attempted clock hours of pre-trip}) = \$697.20 \text{ (Total student pays)}$$

FAILURE TO ATTEND TRAINING / READMISSION AND RE--ENRTY

The procedure for switching and/or dismissal from USTDTS programs in relation to excessive absenteeism are as follows: On the third consecutive day that the student is has an unexcused absence the Director of Educational Services is notified, and a call is placed to the student. On the fourth consecutive day that the student has an unexcused absence the termination procedure will commence. A final phone call will be placed to the student and a drop slip will be inserted into the student's file. *Students wishing to return to USTDTS after excessive unexcused absenteeism of three or more days may be required to write a letter to the school stating the reasons why he or she was absent from the program and request for reinstatement.* Reinstatement is subject to availability.

FINANCIAL AID SUSPENSION STATUS

The first time you do not meet SAP standards, you will be placed on Financial Aid Suspension with a right to appeal. This means you are close to losing your financial aid eligibility. You will have 10 days from the financial aid suspension notification to appeal. Please allow 10 days for the appeal to be reviewed. If the school officials agreed with your appeal, you will be placed on Financial Aid Probation, receive aid for the second payment period, and have the opportunity to complete the program using your financial aid. If the appeal is denied by the school officials, you will remain on Financial Aid Suspension, lose your financial aid, and must pay cash if you desire to remain in the program.

PROBATION STATUS AND ACADEMIC PLAN:

Students that have appealed their FA probation determination may be placed on an Academic Plan. Students must successfully follow the SAP academic plan while in this status. Students will be monitored by the Financial Aid Office at the end of the next payment period.

If students meet the SAP standards at the end of the probation period, their SAP status will reset back to "Meets SAP." If students do not meet the SAP standards at the end of their probation, they will be ineligible for program completion, and will not receive financial aid or institutional financial aid. Students will be required to pay for their own additional education and living expenses.

RE-ESTABLISHING FINANCIAL AID ELIGIBILITY:

A student may also be reinstated for financial aid by completing all three requirements (GPA, PACE, and MTF) at USTDTS while on a self-payment plan option. Once a student has completed all three requirements (GPA, PACE, and MTF), the student will regain good standing. This option is NOT available to students who have been dismissed from financial aid because of exceeding their maximum time frame hour's limit. Students can appeal their MTF if their maximum time is reached while on academic plan. Students must submit a written request to the Financial Aid Office. Students must indicate valid reason why he/she is appealing the MTF and what will be accomplished if appeal is approved.

ATTENDANCE

USTDTS is an attendance taking institution, students must sign in on each scheduled day if in attendance. When a student finds it necessary to be absent for an extended period, an explanation must be made to the director of educational services. Additionally, if the Director of Educational Services believes that a student's absences have been excessive and unjustified, the director of educational services may request that the student be withdrawn from the course.

INCLEMENT WEATHER PROCEDURES

In case of inclement weather an emergency notification may be issued utilizing one or more of the following methods:

- Email
- Text messaging
- Voice Messaging
- Contacting the local media
- Face-to-face communication, if deemed necessary

Additionally, anyone with information warranting an emergency notification may report the circumstances to the Campus Authority by calling **586-838-1268** or by coming into the office.

Due to the nature of services provided at USTDTS (classroom, yard, and road) Instructors will be notified of an emergency and instructor will immediately notify their students.

General information about the emergency response and evacuation procedures for USTDTS are publicized each year as part of the institution's Clery Act compliance efforts (*Annual Security and Fire Safety Report*).

CANCELLATION OF CLASSES

Should inclement weather conditions arise or be anticipated that would make class attendance unsafe, the president may elect to cancel classes for a defined period. If so, students and faculty are released from all classes held on-campus and off-campus sites, and they may leave the institution at the designated time. All other employees, however, are required to complete their normal work shift and assignments. Appropriate media outlets will be kept apprised of the status of the institution.

TERMINATION PROCEDURES

Trainees to be terminated are notified in writing and may appeal to the Director of Educational Services within one week of "Notice of Termination."

CONFLICT RESOLUTION PROCEDURE

If a trainee has a conflict, disagreement, or dispute with another trainee, a USTDTS staff member, a grade, scheduling issue, policy, or any other items they disagree with, trainees should follow the proper conflict resolution procedure. It is important that the trainee follows the chain of command and follows the following steps to resolve the issue. If the issue is not resolved during one of the steps the trainee should proceed to the next step in the procedure.

1. Meet with the instructor that you are assigned to at the time of the conflict.
2. Meet with the Director to discuss a resolution.
3. Schedule an appointment with the Director by speaking to the receptionist who will make an appointment.
4. Schedule an appointment with the President or by speaking to the receptionist who will make an appointment.
5. Meet with the President.

PROHIBITED HARRASEMENT POLICY

Pursuant to USTDTS's policy of equal employment opportunity and nondiscrimination, the Institution will maintain working/educational environments for its employees/students that are free from prohibited harassment. Harassment on the basis of race, color, creed, religion, sex, national origin, age, disability, veteran status, marital status, genetic information, sexual orientation, gender identity, pregnancy, or other protected characteristics is prohibited and against the policies of the Institution.

An example of prohibited harassment is sexual harassment. Sexual harassment involves the following:

- (a) making unwelcome sexual advances or requests for sexual favors or other verbal or physical conduct of a sexual nature a condition of employment/education.
- (b) making submission to or rejection of such conduct the basis for employment/ educational decisions; or (c) creating intimidating, offensive, or hostile working/educational environments by such conduct.

SEXUAL MISCONDUCT POLICY STATEMENT

USTDTS does not discriminate on the basis of sex. Sexual harassment and sexual violence are considered types of sex discrimination. Other acts can also be forms of sex-based discrimination and are also prohibited, whether sexually based or not. These other acts include dating violence, domestic violence, and stalking. USTDTS issues this statement of policy to inform the community of our comprehensive plan addressing sexual misconduct and the educational programs and procedures that address the reporting, investigation, and adjudication of sexual assault, domestic violence, dating violence, and stalking. This policy applies whether those acts occur on or off campus and when they are reported to a Campus Authority. In this context, USTDTS prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking and reaffirms its commitment to maintain campus environments emphasizing the dignity and worth of all members of the Institution community.

ANTI BULLYUING POLICY

It is the policy of USTDTS to provide safe environments for its employees and students. This policy is intended to protect employees and students from bullying and/or aggressive behaviors. Bullying is defined as repeated, abusive conduct that causes intentional physical or emotional harm to the target and often involves an imbalance of power between the bully and the victim, which may involve a gesture or a written, verbal, social, graphic, or physical act.

USTDTS prohibits any form of bullying or harassment. This prohibition includes written, physical, verbal, and psychological abuse including hazing, gestures, comments, threats, or actions that cause (or threaten to cause) bodily harm, reasonable fear for personal safety, or personal degradation. Bullying is not the same as teasing, but repeated, harmful teasing is a form of bullying. Constant undue criticism, work sabotage, and glaring are all potential examples of bullying tactics.

Bullying fosters climates of fear and disrespect that can seriously impair the physical and psychological health of its victims. Bullying and harassment create conditions that undermine the ability of individuals to achieve their full potential.

THE FOLLOWING ARE EXAMPLES OF BULLYING OR HARASSMENT:

VERBAL BULLYING: Repeated comments made to, or about, a person by one or more people. These comments can include name calling, intimidation, and humiliation tactics. Verbal bullying often happens when an imbalance of power exists between the bully and the bullied person, but sometimes the goal is to create this imbalance. When bullying creates a hostile environment and is based on a protected category, it could rise to the level of unlawful harassment.

PHYSICAL BULLYING: Repeated physically aggressive actions toward a recipient. Some forms of physical bullying constitute assault, battery, or false imprisonment. Even if no one complains, physical bullying may be occurring.

SOCIAL BULLYING: Harming a person socially, often resulting in social isolation of the victim. Examples of social bullying include spreading rumors, staring, and laughing, or shunning.

CYBER BULLYING: Using digital means such as the Internet, social media, cell phones, or other electronic devices to bully someone. **OTHER:** Bringing, or threatening to bring, baseless legal actions against someone to control or punish him or her.

Students who believe that they have been the subjects of bullying or harassment should report the alleged conduct immediately to the Director of Educational Services. An investigation of all complaints will be undertaken immediately. The investigation and its results will remain confidential to the extent possible.

Any employee/student found by the Institution to have bullied or harassed an employee/student may be subject to appropriate disciplinary sanctions ranging from a warning in his or her file up to and including termination/ expulsion.

Retaliating or discriminating against a student for complaining about bullying, harassment, or participating in an investigation is prohibited.

The Institution recognizes that the issue of whether bullying or harassment has occurred requires a factual determination based on all of the evidence received. The Institution also recognizes that false accusations of bullying or harassment can have serious effects on innocent men and women. We trust that all employees/students will continue to act in a responsible and professional manner to establish a pleasant working/educational environment free of discrimination.
